

Devotion

They Say you left this town today, took yourself and part of me away.
Left your troubles behind to start a new, a clearer way ahead of you.
Its hard to live not seeing you, can't believe your gone but I know its now true
Don't forget me know it'll help you through, relive our games and fun times too.

Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Oh friend, I'll not leave you.

The way you make me smile everyday, just thinking of you in a special way.
The one and only for me I know you'll be, always thinking about me.
I guess that's all that's left to say, if you change your mind you know where I'll be.
Don't ever look back to where you been, look ahead to face life again.

Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Oh friend, I'll not leave you.

Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Oh friend, I'll not leave you.

Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Devotion, Devotion, Devotion to you.
Oh friend, I'll not leave you.
