Not This Time

I thought that I wanted to see you, I thought that I wanted to say,
that I think I need you, but its not that way.
Now I'm stuck on the outside, and I'm left staring back in.
I'm looking at the pictures, of places I've never been.

Whoaaaaaa - Not this Time
Whoaaaaaa - Not this time

I don't wanna know, I don't wanna know.

It only takes one person, just a little cracked in the head,
To go and press the button, and then we all end up dead.
I'm not like that person, you know we're different you see,
I'm not like the others, there's only one of me.

Whoaaaaaa - Not this Time

I don't wanna know, I don't wanna know.

You thought that you wanted to see me, you thought you wanted to say,
that you think you need me, but its not that way.
