Wrong Like You

You don't know where to go,
and you cannot see your road
Still you wanna fly on your own
and I'm not the one to make it so.

I don't wanna do wrong by you
I don't wanna do wrong like you
I don't wanna do wrong with you
Doo wap wap Doo wap wap doo

Stand back cos I'm coming through,
cos nobodywants me but you.
Crowds part as I walk through the room,
I'm just too dumb to assume.

I don't wanna do wrong by you
I don't wanna do wrong like you
I don't wanna do wrong with you
Doo wap wap Doo wap wap doo

All that I see now is you,
I can't lie cos see it too.
You know that we'll never be blue,
all my life has never been so true.

I don't wanna do wrong by you
I don't wanna do wrong like you
I don't wanna do wrong with you
Doo wap wap Doo wap wap doo
